HOW YOU CAN HELP

The City of Indio is actively seeking volunteers to participate in our Volunteer Program. This program gives citizens an opportunity to form mutual partnerships with City staff and to build community relations.

The City's volunteer program is designed and committed to coordinating volunteer efforts by encouraging community participation to address community service needs, which places an emphasis on the City's progress.

You must fill out a volunteer application and sign a release before you can volunteer, all of which are available on our city website under volunteer options. Parents' signatures are required on a physical application, which is available at our city hall, if you are a minor. You might need to successfully complete and pass a background check and drug test in order to apply for some programs.
