<input type="checkbox"/>	1"	Positive Displacement	\$288.00	50	128

Preliminary Meter Down Size Quote

If work done by IWA:

Description	Amount	Pymt Code
Meter Device	\$ _____	WT
Estimated Labor Cost	\$ 300.00	WR
Estimated Additional Parts	\$ 50.00	WT

If work done by Licensed Plumber:

Description	Amount	Pymt Code
Meter Device	\$ _____	WT
Inspection Fee (2 Inspections)	\$ 138.00	WI

Note: A customer may opt to install a shut-off ball valve; it is recommended however not required. Cost is \$150.

Estimated Total: \$ _____

By signing this, I agree to a meter down size and accept the change in flow availability to my service location. I agree to pay in full the quote provided to me by Indio Water Authority. The total cost may be higher than the original quote due to the condition of the existing meter. Other costs associated may include, but not limited to, meter box replacement, customer shut-off ball valve, and extra fittings. Additional costs associated will be determined solely by Indio Water Authority and will be included as part of the next month's bill after work is complete. I also understand that any and all future cost to return the meter to its original size will need to be paid to IWA.

Signature: _____ Date: _____

Please make check payable to "Indio Water Authority" if applicable or required.
