The above listing of certified backflow testers is for your convenience and to assist you in completing required repairs or installations to bring your water service into compliance. Alternatively, you may choose to use other contractors for backflow repairs or installations. In order for installations or repairs to be approved for compliance by Indio Water Authority, the customer must provide a copy of a current CA-NV AWWA, or Riverside County Backflow Assembly Tester Certification, and proof of testing gauge calibration from the Certified Backflow Assembly Tester. Information regarding approved Backflow Assemblies, installation standards or approved Backflow enclosure cages can be found on our web site ([www.indio.org](http://www.indio.org)), by emailing IWA BACKFLOW@INDIO.ORG or calling 760-391-4038.
