

## **Back of Registration Form for Abandoned Property**

The goal of our department is to improve the overall condition of properties within the City of Indio; to preserve property values in our community; and to create a safe and aesthetically pleasing place for residents to live, work and shop. It is also the objective of the City to obtain compliance of its municipal codes through education, assistance, and the fair and consistent enforcement of its laws.

It is the intent of the City Council, through the adoption of this chapter, to establish a mechanism to protect residential neighborhoods from becoming blighted through the lack of maintenance and security of abandoned properties; to establish an abandoned property registration program and to set forth guidelines for the maintenance of abandoned properties.

We thank you in advance for your cooperation. If you have any questions or concerns, please contact the City of Indio Police Department, Code Enforcement, at (760) 391-4123.
