

RESOLUTION NO. 10314

A RESOLUTION OF THE CITY COUNCIL THE CITY OF INDIO, CALIFORNIA ESTABLISHING PROCEDURE GUIDELINES AND REVIEW CRITERIA TO GOVERN THE APPLICATION AND SELECTION PROCESS FOR CANNABIS STOREFRONT RETAIL PERMITS AND DETERMINING THAT THE ADOPTION OF THESE PROCEDURE GUIDELINES AND REVIEW CRITERIA IS EXEMPT FROM REVIEW UNDER CEQA PURSUANT TO CEQA GUIDELINES SECTION 15061(B)(3)

WHEREAS, on June 27, 2017, the Medical and Adult Use Cannabis Regulation and Safety Act (MAUCRSA) was signed into law, which provides a comprehensive regulatory framework for licensing, control, and taxation of medical and adult-use cannabis-related businesses in California; and,

WHEREAS, on December 6, 2017, the City Council adopted Ordinance No. 1726 establishing Sections 159.565 through 159.568 of the Indio Municipal Code prohibiting commercial cannabis activity in the City; and,

WHEREAS, on May 18, 2022, the City Council adopted Ordinance No. 1779 amending Chapter 159 (zoning regulations) of the Indio Municipal Code to allow Cannabis Storefront Retailer and Cannabis Non-Storefront Retailer Businesses in commercial land use districts except for the neighborhood commercial zone, mixed use land use districts and on properties regulated by a specific plan or project master plan that permit commercial land uses excluding any properties designated as neighborhood commercial; amending the subchapter entitled Cannabis Activity (159.565 et. seq.); and making a determination that the ordinance was exempt from review under CEQA pursuant to CEQA guidelines section 15061(b)(3); and,

WHEREAS, on May 18, 2022, the City Council adopted Ordinance No. 1780 adding a new Chapter 123 entitled cannabis business activities to Title XI, Business Regulations, of the Indio Municipal Code to regulate commercial cannabis uses in the city; and,

WHEREAS, the City Council has determined that the adoption of Application Procedure and Guidelines and Review Criteria will assist the City in effectively and transparently administer the City's Cannabis Business Permit Program and is in the public safety, interest and welfare of the City.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF INDIO, CALIFORNIA, HEREBY RESOLVES, FINDS AND DETERMINES AS FOLLOWS:

Section 1. The City Council hereby specifically finds that all of the facts set forth in the recitals of this Resolution are true and correct and are incorporated herein.

Section 2. The Application Procedure Guidelines and Review Criteria for a Commercial Cannabis Business Permit (Storefront Retail Applications) attached hereto as Exhibit "A" is hereby adopted.

Section 3. The City Manager, or designee, is authorized to make non-substantive corrections, clarifications, and revisions to the Application Procedure and Guidelines and Review Criteria as deemed necessary to facilitate the orderly and efficient implementation of any cannabis storefront retail business permit application and selection process initiated or conducted by the City.

Section 4. The City Council finds that the adoption of Application Procedure and Guidelines and Review Criteria for the administration of the City of Indio Cannabis Business Permit Program is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3) of the CEQA Guidelines. The City Council previously adopted Ordinance No. 1779 governing the locations of storefront cannabis retail, non-storefront cannabis retail and cannabis delivery. The City Council also approved Ordinance No. 1780 that regulates the operation of storefront cannabis retail, non-storefront cannabis retail and cannabis delivery in the City. The adoption of the Application Procedure and Guidelines and Review Criteria will allow the City to effectively and transparently administer the City's Cannabis Business Permit Program. Therefore, the adoption of the Application Procedure and Guidelines and Review Criteria is covered by the common sense exemption in that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. Accordingly, the City Council finds the adoption of said fees exempt from CEQA pursuant to Section 15061(b)(3) of the CEQA Guidelines.

Section 5. This Resolution shall take effect upon its adoption.

Section 6. The City Clerk shall certify to the passage, approval, and adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 20th day of July, 2022.

The determination of eligibility will be based on the criteria outlined in these Procedures, in accordance with IMC Chapter 123.13. These Procedures may be amended as provided in IMC Chapter 123.43, in writing, for clarification to application submittal questions which will be posted in the FAQ section of the Cannabis Information webpage and shall go into full effect immediately upon being posted on the website.

PHASE II: APPLICATION EVALUATION AND REVIEW (1,200 points)

During Phase II, the City's consultant will review and score each application using a merit-based system. Applicants will be scored using the following evaluation criteria identified in Appendix A:

- Section A – Business Plan (400 points)
- Section B – Labor and Employment Plan (400 points)
- Section C – Security Plan (400 points)

The top applicants, as determined by the City, which score a minimum of 90% or higher (1,080 points) in Phase II may be eligible to advance to Phase III. The decision as to how many applicants will be interviewed will be determined by the quantity of applicants and the overall quality the City receives. Notice of the results of Phase II will be provided in writing via email to the primary contact listed on the application.

PHASE III: INTERVIEWS (1,600 points)

During Phase III, a Staff Selection Committee designated by the City Manager will conduct a merit-based interview process. Applicants will be scored using the following evaluation criteria identified in in Appendix A:

- Section D - Qualifications of Owners (400 Points)
- Section E - Neighborhood Compatibility (400 Points)
- Section F - Community Benefits and Investments Plan (400 Points)
- Section G - Proposed Site Plan (400 Points)

Upon the completion of Phase III, the Staff Selection Committee will tabulate the scores of all Applicants from Phase III to create a preliminary ranking which will form the basis for determining who will be invited to participate in Phase IV. The ranking will be based upon the scores received through the Phase III merit-based interview process. Should there be a tie in any scoring, the Staff Selection Committee shall force rank each of the Applicants who participated in Phase III, in order to establish an eligibility list.

Prior to the tabulation of scores, the City reserves the right to request and obtain additional information from any candidate, for purposes of clarifying or validating information provided during Phase III interviews. The City Manager may review the totality of the information received, including any additional information received, to determine which applicants are authorized to participate in Phase IV.

PHASE IV: CITY COUNCIL INTERVIEWS AND FINAL DECISION

Upon the completion of Phase III, the City Manager will present to the City Council the top Applicants from the Phase III process. The City Council will interview top Applicants and make a final determination as to which Applicant(s) will be awarded a CCB permit. Each Applicant should be prepared to conduct a brief presentation in order to be interviewed by the City Council. Further details as to date, time, place, and length of presentation will be provided prior to the City Council interviews.

After the City Council has made a determination as to who if any Applicants will be awarded a CCB permit and as a condition of issuance of the regulatory permit, the operator of each cannabis facility shall enter into a Community Benefit Agreement with the City setting forth the terms and conditions under which the cannabis facility will operate that are in addition to the requirements of Chapter 123.36 (C), including, but not limited to community benefits such as public outreach and education, community service, payment of fees and other charges as mutually agreed, and such other terms and conditions that will protect and promote the public health, safety and welfare.

In addition, any community benefits that a commercial cannabis business agrees to provide shall be incorporated into the terms and conditions under which the commercial cannabis business will operate with the City of Indio's approval, if and when a Community Benefit Agreement is executed. Upon successfully negotiations in this phase of the process the Applicant will then be authorized to proceed to apply for any required land use permits and a business license and related approvals.

Any Applicant wishing to appeal Phase I through Phase III of the Application Process may file an appeal with the City Clerk's Office within ten (10) days of the Applicant receiving a notice that they will not move forward in the application process or be issued a permit. Such appeals shall comply with the requirements of IMC Chapters 123.22 through 123.25. Any decision made by the City Council to award or not to award a cannabis permit shall be final and shall not be subject to appeal.

NOTE: Being awarded a CCB permit does not constitute a land use entitlement and does not waive or remove the requirements of applying for and receiving permits for all construction including: electrical, plumbing, fire, Community Development Department permits or reviews, and any other permits, licenses, or reviews as deemed necessary by the relevant departments or governmental entities in charge of said permits. Nor does the award of a CCB permit

guarantee that the plans submitted via the CCB application process meet the standards or requirements in IMC Chapter 159 or as amended and any other permit requirements from other City departments or agencies.
