## A Message from the ISC Administrator

Hello Members!  
Wow! It's hard to believe we're already this far into the New Year. Festival season is upon us with first the Date Festival having made its return in February, then Coachellafest and Stagecoach, and so much more. We will have visitors here in our Indio Lindo from all over the world, which is my favorite part of this time of year. We might have a bit more traffic, but we get a huge infusion of energy and excitement in exchange! Speaking of energy and excitement, if you haven't recently visited the City of Indio website at [www.Indio.org](http://www.Indio.org), please do! There you will find not only the Indio Senior Center's webpage under "Community Services", but a wealth of other information related to all the incredible goings-on in our busy and growing city. For example, did you know Indio has been home to a Certified Farmers Market for many months? It's a great experience and is open every Sunday until 2pm on Towne Street in Downtown Indio. The City also hosts "Second Saturdays" on - you guessed it! - the second Saturday of each month. These are live entertainment events with no cost to attend. Just show up around 5pm in Downtown Indio at Smurr and Indio Blvd and enjoy! These are both excellent opportunities to get out in the community and enjoy the company of our neighbors from all over the Valley.

Less entertainingly, but unavoidably, mixed in with our season of festivals is tax season. It doesn't offer the thrills of a live music event, but it is one of the two certainties of life. If you haven't made your tax preparation appointment with our wonderful AARP volunteers, there may still be time slots available. The AARP volunteers will be at the ISC each Monday and Wednesday until 3pm through April 12th offering this invaluable service at no cost; however, you must make an appointment at the ISC front desk and complete the requisite paperwork to take advantage.

Here's to a fulfilling spring season for all of us! Enjoy the Senior Center, the City of Indio, and the last of our cool weather before summer.

Kind Regards,  
Shelley
